Recommended Wheel sets for HO scale...

For HO scale: DigCom Designs recommends the following parts from:

A-line ARROW HOBBY
Division of PROTO POWER WEST

A-line logo and product images are used as courtesy and reference only and do not imply availability of parts or consent in the use of them with our products for from this manufacturer.
www.ppw-aline.com/detlveh.htm

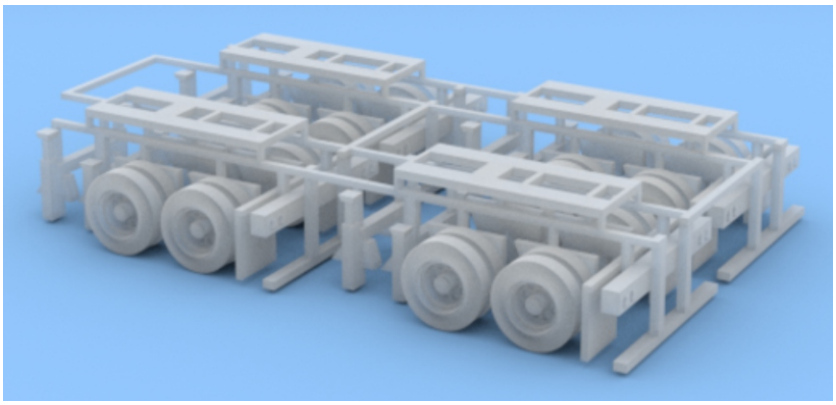

... and for N scale

We recommend using these 3D printed kits from Shapeways.com

Search:
https://www.shapeways.com/search?q=digcom&type= or type DigCom in Shapeway's Search window

These modern wheel kits come available in either 4 or 32 packs!

Included in each fret are 4 tandem wheels with fixed axels on wheel base, Mud flaps, ICC bumper and landing gear.
